Participant Notice – End of National Emergency

The claims and appeals deadline extensions that were provided during the National Emergency during the COVID 19 State of Emergency are ending, as described below.

Temporary Extension of Certain Plan Deadlines During the National Emergency

During the National Emergency, the Plan's deadlines for Participant filing of claims and appeals were suspended until the earlier of: (i) one year from the date the Participant(s) were first eligible to file; or (ii) 60 days after the end of the National Emergency (May 11, 2023). Thus, the deadlines will begin to run again starting July 10, 2023, if not already expired.
